WINTER SWIM LESSONS JAN 7-FEB 28 HUTCHINSON YMCA

YMCA swim lessons include stroke development, personal safety and endurance. YMCA philosophy also encourages the development of the child’s Spirit, Mind and Body. We believe this is what sets the YMCA youth programs apart from others. We must have at least 3 participants per class. We will combine classes as we see fit and are able to combine before canceling a class. There will be no make-up classes available or prorating a class. See you in the water!
