WATER DISCOVERY AND EXPLORATION!! 2019 HUTCHINSON YMCA

YMCA Parent/Child swim program promotes water enrichment and aquatic readiness activities for children ages 6 months to 3 years of age. The developmental experiences provided in this program are used to build the child's self-confidence, and provide positive social experiences for both child and parent. Parents learn methods of working with their young ones to encourage water adjustment, self-confidence, safety and fun in the pool. One parent must accompany the child in the pool.

*We need at least 3 participants per class & will combine classes as we see fit & are able to combine before canceling a class. We do not offer make-up classes or prorating a class due to a participant's absence. We will try to schedule a makeup class if the Y is unable to hold the class at the regular designated day & time. See you in the water! Swimmers who are not toilet trained must wear a swim diaper.

CHILD'S NAME: _____

AGE: _____ DOB: _____ M/F

ADDRESS: _____

PARENT'S NAME: _____

HOME #: _____ CELL #: _____
