## Open Gym Schedule

Effective 01/01/22-05/29/22

To ensure you have the opportunity to strengthen family through quality time together or can develop a wellness routine that includes indoor sports, the Y offers the following open gym times as part of your membership. During times not listed below, the gyms are closed for youth sport leagues, adult basketball or instructional classes. For information on sport leagues and classes, please consult [hutchymca.org](http://hutchymca.org) or the front desk. For information on group exercise classes, please refer to the Group Exercise schedule found in the literature rack in the lobby. Open gym times are subject to change and schedules are available online at [hutchymca.org](http://hutchymca.org)

## GYM RULES

- Dunking and/or hanging on basketball goals is not allowed
- Shirts must be worn at all times in the gym
- Black-soled shoes are not allowed
- No food or drink is allowed in the gym, except for water and non-breakable container
- Please do not use profanity; we are a family facility
- Please return equipment to the front desk
- Please obey pick-up game rules
  - 1<sup>st</sup> 10 players play

## NOON BALL RULES

- Players must be age 18 or older; all shots count as 1's; games to 10, win by one.
- If one court only in use, first game ends, next 10 players in (first ones waiting are first in line). If less than 10 then pick numbers for replacements. If 5 or less waiting, loser pick the numbers; if more than 5 waiting, then winners pick the numbers.
- If two courts in use, with 10 playing on each, same rules for one court in use, set forth above, apply to each court.
- New players coming in to the gym shall choose either the East court or West court and they shall play on that court during Noon Ball as long as there are 20 or more players. (If you have to sit out a game on East court, for example, you cannot go to the West court and get in line). The exception is when one court falls below 10 players in which case the players waiting for the other court can change courts at that point.
- Once a court has less than 10 players available, the players from that court can get in line on the other court and the rules for "One Court Only In Use" apply but these players are "behind" any players waiting on the other court
